'Putting Children First'

This rigorously developed qualification provides competency-based assurances to commissioners of Return Home Interviews.

LEVEL 3 Qualification

'Undertaking Independent Missing Return Interviews for Children'

Developed in line with Statutory DfE Guidance

Qualification Overview

- Level 3 Award in 'Undertaking Missing Return Interviews for Children'
- Written, researched and developed by SALT, in conjunction with NOCN
- Evidence-based and carefully designed to provide further safeguards and proactive support to children at risk of, or harmed by exploitation
- Validated, regulated and quality assured by Ofqual
- The training delivery model is strengths and research-based.

This qualification is a recommended training requirement for those with interviewing responsibility for children that run away and go missing from home and/or care. [DfE \(2014\)](#)

- 3-day intense training course
- Week commencing 17th September 2018
- West Midlands Region
